The Moon this month:
Sep 6th: full moon
Sep 13th: last quarter
Sep 20th: new moon
Sep 28th: first quarter

The Sun rises in the east
and sets in the west

EAST

To find e.g. stars in the east,
face east and turn the map,
so that **EAST** is at the bottom.

**THE SOUTH AFRICAN
EARLY EVENING SKY
MID SEP 2017**
